

# Consignment indemnity guide

## SameDay services

Within our SameDay Courier services, we offer free indemnity cover up to the item value of £5,000. To ensure you take advantage of this additional cover, please ensure that you declare the cost of the items with our customer service team when booking (and especially if the total cost of the items are between £1,000 - £5,000). We also offer indemnity cover on items above the cost of £5,000. Cover starts from just £10, so please ask one of our team.

## International and UK Overnight services

We also offer free indemnity cover on all International and UK Overnight consignments up to the value of £100. For those consignments that are valued between £101 - £10,000, the value of the items must be declared on booking and indemnity cover starts from £25.

Please note, adherence to our [item exclusions policy](#) and [packaging requirements](#) are mandatory with all services - visit our website for more information.

Our customer service team are happy to help if you have any questions about our indemnity cover or if you want to add cover to your booking.
